Salzburg Schokolade: Salzburger Schokoladenmacher seit 1897

Salzburg Schokolade is a **traditional, family owned Austrian confectionary manufacturer** located in Grödig, close to Mozart's native city of Salzburg. The history dates back to the 19th century and here the art of confectionary is still cultivated. At Salzburg Schokolade they are particularly proud of the famous **“Echte Salzburger Mozartkugel”** by Mirabell, manufactured exclusively for Mondelez. Furthermore, national and international partners are provided with **labels as Salzburg Schokolade, Maria Theresia or Salzburg Confiserie** – but also with private labels. Part of the product range is also the well-known **Bobby chocolate bar**, an Austrian sweet icon, delicious chocolate specialities, exquisite wafers, chocolate coated products and many more. Salzburg Schokolade manufactures also high quality semi-finished products (as nougat, chocolates, glace, frosting, etc.) under the traditional Austrian brand **nordpol** for professional users as bakers and confectioners. In addition to the plant in Austria, Salzburg Schokolade operates another plant in Plana (Czech Republic), that offers tailor-made **co-packaging solutions** for food and sweets.
